### **Funding priorities**

Funding rounds are always oversubscribed, meaning it is not always possible to fund all strong applications. To support decision making, priority will be given to charities and good causes which meet some or all of the following criteria:

- Funding organisations with an annual income of £250,000 and below
- Funding for communities that rank as being within the top 15% on the <u>Scottish Index of Multiple</u> <u>Deprivation</u>
- Funding for groups that are set up to support people from the following minority/marginalised groups
  - Communities experiencing racial inequity
  - Disabled people
  - LGBT+ people
